Sigh no more ladies, sigh no more. Men were deceivers ever, One foot in sea, and one on shore, To one thing constant never...

Meet Joanna Sintek - Hero

Joanna is a junior Wildlife Biology major and this is her 4th production at CSU. She has been seen in *Hamlet* and *The Caucasian Chalk Circle*, and played Lulu in *The Birthday Party*.

What is your favorite part about being in "Much Ado About Nothing"?

I love that I get to be with my friends and play out one of the best works of Shakespeare ever written. It's great fun!

How have you applied your advanced acting class in Shakespeare into developing your character? In the class we had to do monologues from *Much Ado* and develop a character and delivery all on our own. I've used a lot of the character work I did for the class and applied it to Hero in the show.

How does transporting the setting from 1500's Italy to 1940's California affect your interpretation and performance? The show takes place right after World War II. The girls, including Hero, have had to manage things on their own for a while without any help from the boys. So when the men come back, there's huge relief and excitement, but that strength that everyone had to keep up while the war was going on remains.

I also think there's more appreciation for life in general, and especially for love, because the entire world was basically in peril for so long.
